

COVID-19 OFFICE SAFETY PROTOCOL

In an effort to ensure the safety of our patients and staff, CureQuest Clinical has implemented the following COVID-19 safety protocols.

BEFORE OFFICE APPOINTMENT

Before your scheduled appointment, patients are required to answer the following questionnaire:

1. Have you traveled out of the country in the last 14 days?
2. Have you had contact with anyone with confirmed COVID-19 in the last 14 days?
3. Are you currently experiencing, or have you experienced any of the following symptoms in the last 14 days?
 - Fever greater than 100
 - Difficulty breathing
 - Cough

If YES to any of the above, you will be asked to stay home and follow up with your PCP or Florida Department of Health (850-245-4444) for further direction.

DURING OFFICE VISIT

Patient Responsibilities:

1. Complete pre-office visit questionnaire
2. Comply with staff assisted temperature check upon arrival, supplies will be provided
3. Observe proper hand sanitation requirements, supplies will be provided
4. Observe CDC recommended social distancing guidelines
5. Facial masks and gloves will be provided. Compliance is strongly encouraged but not mandatory

Employee Responsibilities:

1. Screen patients based on pre-office visit questionnaire
2. Comply with temperature check before each shift
3. Comply with CDC recommended social distancing guidelines when not treating patients
4. Facial masks and gloves required for all employees
5. Routinely disinfect office surface areas
6. Monitor and comply with local and state Covid-19 guidelines
